
100k solar container battery

what is K mean? 1k 10k 100k : ??? : it means thousand! 1k= one thousand (1,000) 10k = ten thousand (10,000) 100k= 100 thousand (100,000)

100K is 100,000. K comes from "kilo", like in "kilogram" or "kilometer". In spoken English, it's pronounced "K" or "thousand".
