38w today and I swear he keeps going between ROA and maybe transverse position throughout the day and night. When he's ROA I can feel his bum bump upper right...

I saw my obstetrician today and she suggested we schedule me in for 38w and 6d. I thought it would be best to wait til almost 40w so baby is as big and strong and ready for the ...

No issues with the pregnancy, just recommended following previous emergency c section. Im in the public system and in the midwife program and we looked at dates my ...

Hi :-) I had an ultrasound at 32 weeks (growth ultrasound due to having GD) and apparently baby is weighing at 2.2kg. Does anyone know what their baby is...
