
Amman Solar Pump Parts

What are the different types of DC Solar pumps?

DC Solar Pumps are available with both Screw & Centrifugal impellers suitable for different head and flow ranges. The DC Submersible Solar Pumps are powered by ZIRANTEC Oil filled permanent magnet, brushless DC motors and the Surface Pumps are coupled to specially designed dry type brushless DC motors.

What is a DC solar pump & how does it work?

In our system the collecting device is lead acid battery which collect and stores DC energy Generated from PV Modules. This battery power storage option is available in DC solar pumps ranging upto 500W. The D.C. Power stored in the battery can be used to operate the pump directly.

What is battery power storage in a solar pump?

This battery power storage option is available in DC solar pumps ranging upto 500W. The D.C. Power stored in the battery can be used to operate the pump directly. This process is usually integrated into solar photovoltaic system where energy collected and stored almost instantaneously.

What is zirantec solar pump controller?

With regard to AC Pumps, ZIRANTEC Solar Pump Controller is used to convert DC Power generated by PV modules to 3Phase AC Power and drive these pumps. PV Modules collect solar radiation from the sun and actively convert that energy to electricity.

Introducing Shukrian For Heating A Top Heating Equipment Supplier, Water Solutions and Solar Systems in Amman, Jordan Welcome to our official Shukrian For Heating Website! The latest ...

List of Top Verified Pumps Manufacturers in Amman, Jordan, Near Me. Last updated Dec 2025

Using Solar Water Pumps eliminates the need for Diesel generators. The Utilization of these generators is combined with running costs (labor, fuel, and lubrication), maintenance ...

The repair kits feature all parts, from the biggest components to the tiniest nut and bolt, needed for a particular repair. The kits ensure everything is there when you need it, thereby preventing ...

We carry the parts needed to repair your solar pump. We have Shurflo and Sun Pumps parts.
