
Battery cabinet franchise

How many people do you need for a battery store franchise?

Ideal territories require a population of at least 75,000, and enough business density to support commercial account sales. Is a Battery Store Franchise and Tech Franchise the Right Fit for You?

Is there a battery franchise opportunity?

We're always happy to share more information about this exciting battery franchise opportunity. There is franchise availability in all 50 states and Puerto Rico, so there's plenty of opportunity for you to establish your own tech franchise store (or stores!), and grow right along with us.

Is batteries plus a good franchise investment?

Batteries Plus is the ideal franchise investment because we can satisfy the technology needs of commercial and retail clients. There's no doubt that the technology industry is growing. If you're an investor looking to diversify and for a high franchise revenue, this is an advantageous space to expand into.

How much does a franchise cost?

The initial franchise fee is \$49,500, which is included in your initial investment. There are discounts on the franchise fee to qualified veterans and first responders, as well as multi-unit investors. We also now have discounts for historically underrepresented groups (such as minority candidates or LGBTQ+ candidates)
