
Realistic solar power generation system

"A real possibility" or "A realistic possibility"; Thanks for a reply. Context is: He failing all his subjects is a real/realistic possibility.

Be real about putting customers first. Be realistic about putting customers first. Is there a difference between these two sentences?

(The author sitting down with a group of teachers from his alma mater, Middletown High). All of them expressed the worry, in one form or another, that society devoted too many ...

The word realistic I see being separated as either real-ist-ic or real-istic. As for real-ist-ic, both suffixes exist. -ist seems to be sensitive to nouns (novel-ist, machin-ist), and real is ...

Hi all, I was wondering what the difference between them was. I know that the first one is a noun and the second one is an adjective, but still it seems to me that they might be ...

The phrase "realistic purpose of conviction" is interesting. I would expect prosecution service to consider whether there is a purpose in seeking prosecution, because ...

Hola, yo he traducido el concepto SMART en alguna ocasión, pero la definición inglesa no era exactamente como la vuestra. Así, en vez de realistic me aparece relevant, y ...

Hola, por favor alguien sabe como se traduce "poco realista"? Non-realistic, unreal ... escenario/ environment??? Texto original (... él) vive en un escenario diferente y poco ...
