# Single-phase purchase contract for marine folding containers

What is a container pool management agreement?

This agreement is also known as a 'full-service lease' or 'container pool management plan'. After you find depots where you can collect the containers, separate agreements are drawn up for each container collected from the depot. This contract comes into effect only when the lessee collects a container from a depot.

What is a long-term Container lease agreement?

Through the long-term container leasing agreement, you sign a contract that extends from 5 to 7 years for new containers and 1 to 5 for used containers. You can agree upon a fixed amount of time and a delivery schedule. And you can decide the number of containers you want to lease. Advantages of a long-term container lease agreement

Will ship sale 22 become the primary form for ship sale and purchase?

The innovation presented and the ever-moving landscape of vessel sale and purchase will mean that SHIPSALE 22 will eventually become the primary form for ship sale and purchase transactions. HFW's Jens Mathiasen was part of a team of nine shipping industry specialists who drafted the agreement.

What information is included in a container lease agreement?

A container lease agreement has information such as the two parties' names, the lease's term period, the delivery address, and the termination protocol. Other information included is the type of container and the cargo, who is liable in case of container damage or loss, the price to pay for the damages, and the container lease type.
