Where can I get solar panels in Pretoria?

Solar Guru offers solar panels, solar inverters and solar batteries for all your solar installation requirements in Pretoria. Solar Guru offers solar panel products to all provinces across Pretoria, Gauteng. By using solar panels in Pretoria, you are generating electricity in a dependent manner from using Eskom.

What is a hybrid solar system in Pretoria?

a hybrid solar system in Pretoria uses a simple hybrid inverter which contains a solar inverter and battery inverter/charger together with clever controls which determine the most efficient use of your available energy. Solar Guru offers Growatt solar inverters in Pretoria at affordable prices.

How does a solar inverter work in Pretoria?

Solar panels in Pretoria generate DC power which is stored in a solar battery bank. The off-grid solar inverter converts the DC power stored in the battery bank to AC current to use in your home in Pretoria. A off-grid solar inverter can also be connected to a generator as a backup power if the solar panels doesn't produce enough power in Pretoria.
