
The longest lifespan solar panels

Thanks for the input. How about "at most" vs. "at the most"? e.g. at most: The beach is ten miles away from here at most. at the most: The beach is ten miles away from ...

Hello to all, I see that there are more translations for: Long - mucho Long - largo How can I say in common: long, longer, the longest. Or: young, younger, the youngest? Thank ...

The kid's longest picture span stimulus will thus be three (the longest stimulus card that the kid responds to with a perfect score). But let us also say that the kid later correctly ...

Hello, I was wondering if we can say that, "Bread has a long expiration date" or does only "long shelf life" work in this context?

Hello everyone, I've been looking for a word to say "member who has been in a group (Supreme Court, organization, order, etc) the longest time." In Portuguese there is such ...
