
Wholesale of container houses in Gothenburg Sweden

How much does a container home cost in Sweden?

The price of container homes in Sweden can vary widely based on factors like size, customization, and the materials used. A basic, cost-effective container home may start at around EUR30,000, offering a simple yet functional living space. For those seeking more luxurious and spacious designs, prices can climb to EUR100,000 or more.

Is Sweden a good place to build a container home?

Sweden has emerged as a trendsetter in modern container homes, blending sustainability with innovative architecture. Known for its commitment to eco-friendly living, Sweden provides the perfect backdrop for cutting-edge container home designs that suit both urban and rural landscapes.
