## Windhoek solar container battery Specifications

Based on TSLA's November 11th closing price of \$1063, this would be a return of ~3.5x. Including AMaaS and Software projections, my model results in a 2030 price of ~ \$13000. This would be ...

35 votes, 92 comments. Just like last time when it went to 119. I think this time also TSLA stock will reach as low as 100.

It's a combination of retail investors that are in it like a meme stock and institutional stock investors who are long and really need to see it stay at a high price. It's a component of the ...

I don't know what your price targets are, but speaking from an extreme long term investor, I just wish the growth of Tesla can be slower and quieter. I don't like the noises around Tesla these ...

That's why a lot of Tesla retail investors are very upset with Elon and have asked him to step down as CEO because every time he says something, it causes the stock price to fall. So the ...
